Attach a copy or original of the receipt or invoice to the shipment. The goods must be returned unused, undamaged and in the original packaging with all accessories so that it can be returned for sale. Otherwise, it will not be possible to recognize the exchange of goods. It is not possible to exchange used or washed goods and video and audio media! The exchange of goods does not terminate the original purchase agreement and reduces the resulting rights and obligations between the seller and the buyer. After the goods have been taken over by the seller, the consignment will be checked and, after approval, exchanged for the newly selected goods by the buyer, or a credit will be provided to the buyer for the next purchase.
